

Urban Designer

\$100,585 p.a. plus Superannuation

Option to enter into a 19 day month working arrangement

Fixed Term contract opportunity

This is an exciting and dynamic role at one of Australia's most progressive and sustainable local government authorities.

The City of Sydney encourages design excellence and environmental sustainability as key elements of its Sustainable Sydney 2030 vision.

Our Urban Design and Heritage team provides expert advice to internal and external stakeholders at all stages in the development assessment process.

We are seeking a highly skilled and motivated Urban Designer with at least ten years post-graduate experience in both the private and public sectors. The right candidate should be experienced in environmentally sustainable design in both established urban contexts and in urban renewal sites.

The successful applicant will hold tertiary qualifications in urban design/architecture or a related discipline, including registration or eligibility for registration as a member of the respective professional association with significant experience and demonstrated expertise in the design and delivery of urban design projects and outstanding buildings. The ideal candidate would demonstrate excellent communication and negotiation skills.

Visit www.cityofsydney.nsw.gov.au/jobs for a position description. For further information contact Tony Smith, Urban Design & Heritage Manager on (02) 9265 9461. Applications must address the selection criteria stated within the position description, include the names and telephone numbers of two referees and be made via the City's website by **Wednesday 15 February 2012**.

We are an EEO employer and encourage applications from diverse cultures and people with disabilities.
