remember the future

AILA Fresh is a group of Landscape Architecture graduates, students and young professionals. At Fresh, we are trying to bring these various divisions together over interesting discussions, exhibitions, and a bite to eat and drink.

If you are involved in Landscape Architecture, or even just a little interested, come along to our first event for 2009.

Design, meet and grow as an individual, a group, a community. Everyone is welcome.

Our first event this year is informal drinks at Loop bar. Come along, meet fellow designers and students, have a beer and let us know what you'd like to see from Fresh this year.

09' kicks off with Informal drinks @
