Dear Committee Secretary,

RE: Australia's preparedness to host Commonwealth, Olympic and Paralympic Games.

The Queensland Chapter of the Australian Institute of Landscape Architects (AILA) appreciates the opportunity to make a submission to the Parliamentary Enquiry into Australia's preparedness to host Commonwealth, Olympic and Paralympic Games.

AILA supports the Queensland Government's plans to deliver a climate-positive summer Olympics and applauds the vision for the Brisbane 2032 Olympic and Paralympic Games to leave a legacy. We believe that leaving a legacy will unite communities and foster long-term benefits. But it is important to hold all impacts of the Olympic Games to account and ensure all actions are in keeping with these visions.

Please find relevant attachments from AILA regarding the Brisbane 2032 Olympic and Paralympic Games to accompany our initial submission to the enquiry regarding the development of Raymond Park into a warm up facility:

- Attachment 1: AILA's Olympic Advocacy Priorities
- Attachment 2: 310323 AILA East Brisbane State School Response to Queensland Government
- Attachment 3: 180823 AILA EBSS Additional Response

We would welcome any further opportunities to discuss our submissions to the enquiry and thank you again for undertaking this enquiry. Please contact Melanie West, AILA Queensland Chapter Manager on 0417 666 622 or melanie.west@aila.org.au

Yours sincerely,
