Awards Exhibition of Entries + Presentation to Jury Day Requirements

Each year the SA Chapter aims to hold an Exhibition of Entries as this is a valuable way to showcase and profile your practice and the profession to the public and industry. In 2019 we are also including a Presentation to Jury Day open to members and the public providing entrants with the opportunity to present their projects to the Jury panel.

Presentation to Jury Day – Entry Slideshow PDF (**NEW REQUIREMENT in 2019**)

Please email Sally Bolton – sally.bolton@aila.org.au with a dropbox link to your presentation for the Presentation to Jury Day in PDF format. Please clearly title your folder and the PDF **with Entry number, practice, category and project name**. PowerPoint is also accepted (see guidance notes below).

The presentation should be formatted with appropriate images for the speaker on Presentation Day to discuss within a 5 -7 minute presentation only with approx. 3 mins for questions from the jury. Please consider views and drawings to contextualise the site for the Jury (for example aerial photographs or similar, broader street view, or a site plans)

PLEASE NOTE YOU WILL NOT BE ABLE TO ALTER OR REPLACE THIS PRESENTATION AFTER FORMALLY SUBMITTING ON THE DATE OUTLINED IN THE ABOVE SCHEDULE OR BEFORE PRESENTATION DAY.

Note: If using PowerPoint, the presentation should be saved in 'Web/Screen' resolution NOT the Print Resolution of 200dpi. The PowerPoint presentation should NOT be saved as an executable file but as an ordinary presentation.
